Sine Qua Non Selection

Our selection contains a handful of the rare, sought after cult wines of the Sine Qua Non collection.

No two vintages are the same; with not only a difference in production techniques and varietals but each vintage holding its own label and behind that its own story to share.

These are wines “born with pure passion and wishful dreaming”.

Both Elaine and Manfred Krankl aim to create something that is so distinctive and unrealistically unique that to wine lovers it would be an item that to be without, is not possible - “Sine Qua Non”.
